NIMCO

MADE 4 YOU

Parfois, l'avenir démarre au commencement

De retour à l'essence des choses

Qu'est-ce qui est vraiment important dans une chaussure ? Le confort, l'ajustement et la fonction.

C'est pour cette raison que nous avons créé l'Infinity. L'Infinity n'est pas une nouveauté, c'est une chose fondamentale. Elle n'est pas d'avant-garde, elle est classique. Elle s'appelle Infinity parce que, dans 100 ans, les modèles de cette ligne auront toujours l'air aussi élégants et intemporels.

En quoi cette ligne est-elle si unique ? Le focus !

Infinity est notre plus récente collection et est centrée sur la fonction. C'est un hybride entre le MCO et l'orthopédique. La collection est divisée en 23 modèles pour hommes, femmes et enfants. Elle propose des modèles classiques et intemporels dans les combinaisons de couleurs classiques qui correspondent exactement à vos préférences. C'est l'une des raisons pour lesquelles l'apparence des modèles Infinity ne peut être modifiée.

Mais il est évidemment possible de modifier les caractéristiques. Tout cela pour s'assurer que le patient a tout ce dont il a besoin pour marcher confortablement.

Ce que vous pouvez changer dans le modèle, ce sont les composants qui peuvent influencer ou bénéficier les performances de la chaussure, car celle-ci est une aide à la marche.

Exemples de changements possibles :

1. Doublure (remplacer par une doublure diabétique)

2. Alterner les lacets avec le velcro

3. Toutes les chaussures basses peuvent avoir le système Mecaflex et peuvent être munies d'une fermeture BOA

4. Contreforts spéciaux sur les bottes moyennes et hautes (la hauteur de la tige peut être augmentée dans ces cas)

5. Barre de Roulement

6. Désaxé de la semelle

7. Renfort de la première en carbone

8. Compensation de la semelle

9. Frais d'urgence

Si vous avez besoin ou souhaitez apporter d'autres modifications, nous serons heureux de produire vos chaussures dans notre ligne entièrement personnalisée.

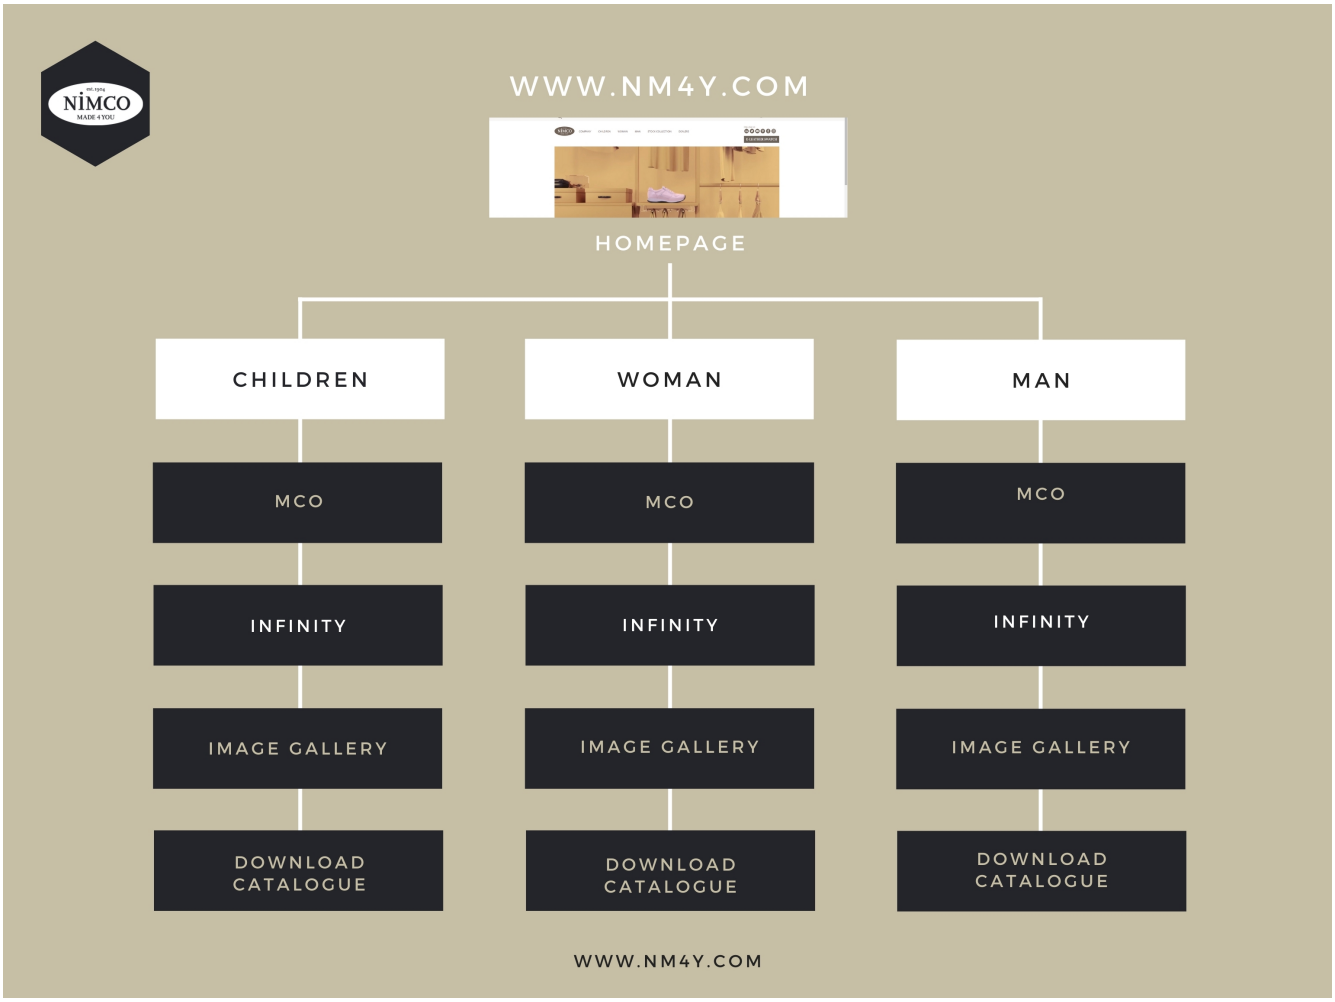

La collection Infinity est uniquement disponible en ligne sur www.nm4y.com.

Téléchargez le catalogue sur votre espace privé à partir du 31.08.20

Pour accéder à Infinity, accédez à www.nm4y.com. Assurez-vous d'avoir votre nom d'utilisateur et votre mot de passe. Vous pouvez obtenir ces informations auprès de votre commercial.

Lorsque vous accédez au site, dans le menu supérieur, ENFANTS, FEMME et HOMME, vous avez le sous-menu INFINITY.

Vous accédez ici à l'ensemble de la gamme de produits par type. Après avoir choisi le modèle, il vous suffit de cliquer sur « Commander ».

Comme mentionné ci-dessus, il est impossible de changer l'apparence des styles. Dans le formulaire, les seuls champs que vous pouvez remplir sont ceux que vous souhaitez modifier ou personnaliser. L'Infinity n'est pas une ligne entièrement personnalisée. Veuillez noter que vos spécifications de production peuvent ne pas pouvoir être réalisées sur cette ligne. Si elles le sont, elles doivent être demandées lors de toutes les passations de commande.

L'Infinity est simple, fonctionnelle et abordable. Un petit pas en avant pour l'avenir de la chaussure !
